## About real estate

We offer for rent warehouse space in the logistics park Ostředek in the district of Benešov, located directly at exit 34 on the D1 motorway. The space can be variably adapted and divided.

The hall meets the latest technical standards - clear height of 10 m, floor load capacity of 5 t/sqm, sprinkler system, camera system, LED lighting, solar panels, column spacing 24x12 m. The space is suitable for logistics, distribution or light production. The warehouses are heated, have sanitary facilities and access is from hydraulic ramps and from ground level. Park Ostředek is a logistics and distribution centre and its location allows easy access to Prague, Brno and also to Austria and Slovakia.
