Its concept will satisfy both those interested in second family or individual living in the Krkonoše Mountains, as well as investors with the intention to use the apartment partially and open it for profitable short-term rentals in the remaining time. The HARRACHOV PEAKS project will offer a high standard of apartment amenities, complemented by the project's private fitness and wellness area with sauna and whirlpool. Parking for the new owners will be in the building's garage and private parking lot.

The location of Harrachov, internationally known for its ski jumping hill, offers a wide range of activities across the seasons for winter and summer sports, for adrenaline lovers and peaceful holidays with or without children. The amenities of Harrachov with selected restaurants, shops, sports equipment rentals, sports schools and cultural events are constantly developing and enhance the comfort of a distinctive life in this town. Find your second home in the mountains - HARRACHOV PEAKS - as a guarantee of peace and privacy in your relaxation and leisure activities.
