We offer for sale apartment 2+kt with a floor area of 68.09 sqm with a terrace of 10.37 sqm in an extremely economical development project Nová Cihelna Kladno arising in the urban area of Kladno - Rozdělov.

Nová Cihelna is a development project that combines not only the latest technology, sustainability and architecture, but also provides its users with a connection and close contact with nature, the surrounding greenery and common space. The Kladno - Rozdělov urban district is the best place to live with nature within reach and at the same time a perfect connection to Prague.

The apartment is situated in 3rd floor of a new building, the interior includes a hallway, spacious living room with kitchenette and dining area, bedroom, bathroom with shower and toilet. From the living area there is access to the terrace with a beautiful view of the surroundings. The apartment is oriented to the N side. The apartment has a brick cellar and there is a possibility to buy a garage.

The apartments are located in a total of 6 low-energy houses, which guarantees a pleasant intimate living, with 1000 sqm of garden with park-like landscaping for community gatherings, seating and pleasant relaxation. A children's and workout/fitness playground will also be designed.

The energy class A project emphasises low-energy operation and sustainability. It provides for air-to-water heat pump heating, underfloor heating with aftercooling, controlled ventilation with heat recovery and efficient domestic water solutions. The bathrooms will have designer heating elements and the floor will be electrically heated. It will also include PV on the roofs and large-format windows with insulating glazing for plenty of natural light.

Vinyl mineral floors (wooden floors as an extra standard), designer tiles and ceramic tile in a choice of several decors. The project offers superior and sustainable materials, with bathroom fittings by Villeroy Boch, Hansgrohe. The main focus is on originality, functionality and aesthetics. The entire complex is adapted for wheelchair access, including elevators.

The location of the project allows excellent connections to Prague - by car thanks to the D6 motorway, by bus thanks to the direct connection to Zličín or by train to the centre of Prague thanks to the planned fast railway. Prague's Zličín is accessible by car in 20 minutes, near the house public transport stop Kladno, Rozdělov with a direct connection to Zličín. In the immediate vicinity of the project there are all civic amenities. Schools and kindergartens, restaurants, cafes, shopping centers, regional hospital.
