## About real estate

The offered apartment is located on the first floor of house No. 5, which is part of the construction of the 3rd stage of the project Červený dub, in Kostelec nad Černými lesy. Within this stage, 5 chamber houses will be built, each with only four units. The project is therefore an excellent solution for those who prefer a quieter and healthier lifestyle close to nature with good access to larger cities. There is a beautiful undulating forest landscape around the project, and you can reach Prague or Říčany or Český Brod in a few tens of minutes by car or bus, or even by train. A great advantage of the project houses is self-sufficiency in electricity production. All the houses have a system of roof photovoltaic panels. The energy performance of the building is B - very energy efficient.

The apartment 2+kt with a terrace and is situated on the 1st floor of the house. The total usable area is 54.76 sqm plus 15.4 sqm of terrace oriented to the W. The layout of the apartment is very practical, all rooms have a separate entrance. From the vestibule with storage space one enters the bathroom with shower and space for washing machine and dryer. There is also a living room with preparation for the kitchen and exit to the spacious terrace. There is another smaller room attached to the living room, which can serve as a storage room or as a small study or dressing room. In the bedroom there is space for a built-in wardrobe or a smaller workstation.

The picturesque town of Kostelec nad Černými lesy has complete civic amenities and allows comfortable family living in close proximity to nature. You will find here schools, kindergartens, the Czech University of Life Sciences, doctors, pharmacies, supermarkets, post office, bank, restaurants, hairdresser and veterinary surgery. Excellent transport accessibility to Prague - by car 30 min. to Černý Most or 50 min. to the center of Prague, regular bus connection to the metro station Háje. The train station in Cesky Brod is about 7 min. away by car. Kostelec nad Černými lesy is surrounded by forests, which offer the possibility of recreation, hiking and mushroom picking. The nearby natural swimming pool Vyžlovka is an ideal place for relaxation in nature, with a beautiful view of the forests of the Voděradské bučiny National Nature Reserve. There are many associations, organisations and sports clubs in the town and golfers will appreciate the nearby 18-hole Molitorov golf course.
