The apartments are designed according to the latest interior design trends in light colours. The emphasis is on quality and design. Kitchens will be fully equipped with appliances. With built-in wardrobes in the bedroom, you will have plenty of storage space. Residents will have access to a swimming pool, children's pool, gym, business centre, cafe, sauna and spa. An exceptional feature of the complex is that pets are welcome and there will even be a separate corner for them in the residence.

Burj Khalifa and the international airport can be reached in just 30 minutes. Right next to the residence is a park with approximately 10 km of trails ideal for running.
