The Pelagos project provides residents with a wide range of first-class amenities to ensure a comfortable and convenient life. There is a modern equipped gym to satisfy the demands of even the most demanding athletes, a spacious outdoor swimming pool suitable for relaxation and active swimming, and a communal outdoor lounge area for enjoying time with friends or family.

Dubai Marina is one of Dubai's most desirable neighbourhoods and offers a unique combination of city life and seaside atmosphere. The district is famous for its iconic Marina Walk, where you'll find a variety of restaurants, cafes and shops overlooking the palm-lined canal and luxury yachts. Dubai Marina is strategically located with excellent access to both the metro and major transport routes, providing easy access to key business districts such as Dubai Media City and Dubai Internet City, and quick access to renowned sights and entertainment centres.
