Abama Resort is an exclusive resort located in the west of Tenerife, on the coast of the municipality of Guía de Isora, about half an hour from South Reina Sofia Airport. This 160-hectare luxury resort is home to an iconic 18-hole Dave Thomas-designed golf course with subtropical gardens and spectacular ocean views, as well as exclusive high-end resorts, villas and apartments. Known for its excellent climate all year round, this area attracts those seeking the tranquillity and privacy of a luxury complex with top level security, exclusive gastronomic offerings (Michelin Star), a fantastic spa, one of the best golf courses in Europe, professional tennis facilities and a beautiful golden sand beach. The Abama Resort is ideally located, at the same time far from the hustle and bustle of the big tourist centres in the south of the island, such as Costa Adeje, Playa de las Américas and Los Cristianos, which are about 10-20 minutes away, but also very close to all the services of the idyllic coastal town of Playa San Juan and its beautiful promenade, just five minutes away by car.
